

# Heading to Bio **Korea** 2024?

Join our pre-conference workshop

## Why Choose Australia for Your Clinical Trials?

Brought to you by:

### **MTPConnect**

Australia's Life Sciences  
**Innovation Accelerator**

[Register here!](#)

Join us for an insightful clinical trials workshop, organised in collaboration with the Korean Medical Device Industry Association (KMDIA). While covering the comprehensive landscape of Australia's clinical trials, this workshop aims to engage a broader audience beyond BioKorea attendees, particularly targeting the vibrant medtech sector.

Australian Clinical Trial Ecosystem

Financial Incentives

Clinical Trial Notification Scheme

Korean Experiences Working with Australia

Clinical Trial Services
